April 2026 newsletter: Robots, skilled nursing facilities, and tech to ward off online scams

Welcome to the April 2026 client e-newsletter from R. F. Meyer & Associates.

Our three articles this month tackle a diverse range of topics for our Elder Law and Estate Planning clients:

Can AI robots help older adults live in their homes longer?

The number of adults over age 65 is growing, and most want to age in their own homes rather than moving to a nursing home or long-term care facility. Living at home offers many b...
