Three Acts of Congress Could Impact Your Medicaid Eligibility

Welcome to the June 2026 newsletter from R. F. Meyer & Associates.

Our three articles this month cover three different acts of Congress that impact Medicaid eligibility

Budget Cuts Could Remove Millions From Medicare and Medicaid

A 2025 federal budget law was promoted in part as a way to protect Medicaid for those who truly need it. But for the roughly 12 million people who rely on both Medicare and Medicaid, the law creates immediate risks.

New Law Caps Home Equity for Medicaid Long-Term Care

A federal law going into effect in 2028 will cap the amount of home equity a person can have and still qualify for Medicaid long-term care at \$1 million.

Long-Term Care Pharmacy Crisis Hits Nursing Homes

When Congress passed the Inflation Reduction Act in 2022, part of the goal was to lower prescription drug costs for Medicare patients. However, for millions of seniors in long-term care facilities, a little-noticed side effect of that law is starting to hinder their access to those drugs.
